

Summit Commercial Upfits Limited Warranty Registration

This form must be completed in its entirety, and returned to Summit Commercial Upfits, to register the chassis and activate the new product limited warranty. Summit's warranty registration **does not** register the chassis warranty; contact those manufacturers for warranty information. **The Summit Upfit limited warranty shall not become valid and will remain void if the registration form is not completed and returned to Summit Commercial Upfits, 5602 Corporate Dr, St. Joseph, MO, 64507 within thirty days of the date of purchase.**

Please note this form is used for multiple product limited warranty registrations and the form title does not refer to any specific limited warranty. Registered Owners receive a copy of the actual limited warranty pertaining to the upfit product purchased in their owner's manual.
