Summit Drawer Systems Non-transferable Limited Warranty

2/7/2019

Summit Drawer Systems stands behind our product value, quality, and reliability. Our non-transferable limited warranty covers the materials and workmanship of our products subject to the following terms and conditions.

- 1) There is no physical damage to the Summit Drawer System that was caused by accident, improper use and installation, modifications of any kind, water or fire damage, theft or damage due to theft.
- 2) There is no overloading of the drawer pack drawers rated at 600lbs per drawer or other misuses of the product. Including not evenly loading the top shelf.
- 3) We do not cover incidental or consequential damages.
- 4) We will repair or replace defective parts at our option pending inspection. Additional transportation or service charges may apply. There are no refunds.
- 5) Warranty claims must be made in writing and include the model number, original date of purchase and photographic evidence. Mail to Summit Drawer Systems 990 Wathena, KS 66090 or email to partsandservice@summitbodies.com

Service charge is variable based upon the actual material cost to replace the missing or modified parts back to the original factory condition. Summit Drawer Systems reserves the right to change this policy without any notice.
